Description:

Like every year, the Department of Bengali arranged their study tour, in collaboration with the Department of English this year. Students from Third year Honours and First year Honours of the Department of Bengali, and the students of First year Honours from the Department of English participated in this tour. They visited Santiniketan and Kankalitala village.

The tour was conducted on 18th and 19th of February 2019. The students travelled by train and the group stayed for one night there. They visited the Viswa Bharati University area thoroughly on the first day, and visited Kankalitala village on the following day. This village is famous for a temple and an age-old Burning ghat on the bank of river Kopai. These places have been famous through their mention in the novels and short-stories written by eminent Bengali author Tarashankar Bandyopadhyay. The students, mostly from urban areas, enjoyed the village and the beauty of nature very much. They also visited a centre for promotion of rural handicrafts established by EZCC (Eastern Zonal Cultural Centre) there, named Srijani Shilpagram. This tour was a huge success as the students were extremely happy and satisfied
